

USSN 10/613,184

KEBERLEIN, Gerald

REMARKS

In view of the Examiner's withdrawal of the allowability of Claims 11-15, Applicant hereby cancels Claims 11-15 and adds new claims 22-30. Claims 1-16 and 16-21 were previously cancelled.

Rejections under 35 U.S.C. §103(a)

The Examiner rejected Claims 11-15 under 35 U.S.C. §103(a) as being unpatentable over Taub in view of Buttery et al and Slapin et al.

Claims 11-15 have been cancelled, and thus, the rejection of these claims is now moot.

Newly-added Claims

Claims 22-30 have been added. Claims 22-30 are supported by the application as originally filed. Thus, no new matter has been added. Claims 22-30 are believed to define patentable subject matter, and thus, their examination and allowance is respectfully requested.

Cancelled Claims

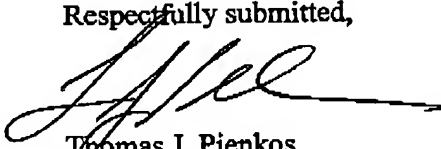

Claims 1-21 stand cancelled. These claims have not been cancelled for any reason relating to their patentability, but rather, to expedite prosecution, particularly in view of the Examiner's previous allowance, which has been withdrawn.

Conclusion

A two month extension fee is believed to be due for this filing of this response. Such fee should be charged to Deposit Account 23-2053. No other fee or petition is believed due and any petition due should be considered to be provisionally made. The Examiner is invited to call the Applicant's attorney at (414) 978-5539 in the event any further action is deemed necessary.

Respectfully submitted,

Date: June 14, 2005
